

## ATHLETICS AT HARTFORD.

To-day's contests in the State High School Athletic Meet—New Haven High School and Boardman Teams—Prospects as to the winning of the Cup—Hillhouse will Break Records.

The High school and Boardman athletic teams go to Hartford to-day to compete in the state high school athletic meet, which is to be held this afternoon at Charter-Oak park, Hartford.

The cup no doubt will be won by Hartford, but the Hillhouse boys expect to give them a close rub, as the team is in fine condition. Thirty points are looked for by the Hillhouse team, if the men turn out as expected.

Captain Beck of the Hillhouse team in an interview with a "Courier" representative said that positively three records would be broken by his team. These events are the hammer and shot and the mile walk. Butler in the walk has in daily practice broken the record by over forty seconds. The points expected are as follows:

Beck, first place in the hammer and shot and second in the broad jump—13 points.

Butler and Tichborne, the first two places in the mile walk—7 points.

Faniow and Kearney, both third places in the half and mile runs—2 points.

Murphy, third in hammer—1 point.

Bartholomew, third in the 100 yards dash—1 point.

Wolf and Mason, each second in the pole vault and high jump respectively—4 points.

Brenner, third in the broad jump—1 point.

Nettelton and Cooney, second and third in the shot—3 points.

Total—31 points.

Principal Thomas, Instructor Hackett and other teachers, besides a large delegation of pupils, will accompany the team to Hartford.

## TO PAWSON PARK.

Steamer Margaret to Run July 1.

The steamer Margaret is to begin her popular trips to Pawson park about July 1. Mr. E. H. Martin, the superintendent of the line, will make arrangements for Sunday school parties and societies at his office in the Benedict building on Church street. The excursions were very successful last summer and will undoubtedly be much more patronized this year.

The trips will be made daily at the same hours which were used last summer, and which were found so convenient.

## AS OF OLD.

Men want to Live Long, be Strong  
Happy, Love and be Loved.

AND THEY MAY!

## THE SECRET DISCOVERED.

So writes a happy man, fresh from the Slough of Despond.  
Well, the discovery has been proclaimed but men are slow to believe.  
The way is open to us, to investigate.  
Why will not every man do so?  
There is a simple way to cure at home all those baneful effects of the sins of youth and the excesses of later years which blast the lives of multitudes of men.  
There is a way to regain strength lost by disease, overwork and worry.  
A way to secure and retain the abilities sacrificed to dissipation and to be glad again after suffering and atonement.  
A way to give full strength, development and tone to every portion and organ of the body.  
A way to remove every obstacle to happy and fruitful married life.  
All this is clearly shown in a little medical work recently published. It is not a book for general circulation, being purely medical and scientific and for men only who need advice and aid.  
How to get it: Write to the Erie Medical Company, Buffalo, N. Y., say you read the article in this paper and ask them to send you the book called "Complete Manual, and the Way to Attain It." They will send one copy entirely free in a plain seal wrapper to any man who writes for it at once in good faith.

A council of the Junior Order of American Mechanics was organized Thursday night at Noank. It is named Washington council and starts off with about forty members. There are now ten councils of the junior order in the state, and a state council will be instituted in New Haven June 10.

A TRIBUTE OF SCIENCE.

Synopsis of a Most Remarkable Lecture Delivered Before the Ninth Medical Congress, by Dr. A. L. A. Toboldt, of the University of Pennsylvania.

"The famous fountain of health at Carlsbad, in Bohemia, which has been the refuge of invalids for five centuries, is certainly well worthy of a careful study. My experience with this remedial agent has been such that I may truly say that no remedy which I ever employed has given me so much pleasure and profit as this particular one. Selecting a number of chronic hypochondriacs, whose afflictions have baffled all my previous efforts as my subjects, I was truly astonished to note that although no rigid diet was prescribed, and only a limited amount of exercise was indulged in, I obtained most remarkable results—the complexion, even after a week's use, began to clear up, the step became more firm and elastic, and, what was more, the entire host of hypochondriacal complaints seemed to vanish like mist. Many of the genuine, imported Carlsbad Waters and Carlsbad Sprudel Salt are being sold here by druggists and others. The genuine article is bottled under the supervision of the city of Carlsbad, and has the seal of the city and the signature of 'Eisner & Mendelson Co.' sole agents for the U. S., New York, on every bottle. All others are worthless imitations. Dr. Toboldt's lecture, with table of cases treated, will be mailed to any address upon application to the agents of the Carlsbad Spring, Eisner & Mendelson Co., 152 Franklin street, New York.

## HOUSE CLEANING TIME

Is not only trying and laborious to the good housewife, but also "a trifle unpleasant" to the "lord of the manor," who misses many little attentions which he receives when "everything" is not "pulled up" and "put somewhere" where "one can't find it."

But it is a necessary ordeal, and soon, under the able and efficient management of "the Angel of the Household," perfect "cleanliness" which is "next to godliness" ensues, and peace like a gentle dove again broods over the domestic habitation.

Since ROOT, the Famous Baker, introduced his Celebrated

**QUAKER BREAD**

House-cleaning time has lost much of its "terror." Fortified with a good breakfast, of which Delicious Quaker Bread is one of the articles of consumption, good health and spirits are sure to render the work "a labor of love" and the "man of the house" also feels so pleasant that he finds himself involuntarily whistling "Home, Sweet Home."

Root's Quaker Bread was introduced to the New Haven public by Mr. Root, who makes it by the original process. It is very palatable and strengthening and recommended by the medical faculty. Thousands are using it and all speak in the highest terms of praise concerning it.

**Bakery at 859 Grand Avenue.**  
Be sure and see that "Root's Quaker Bread" is on label on each loaf. Ask your grocer for it and take no other.
